Book Mark

By JANE VOILES

"Peace on earth to men of good will" seems far off this Christmas season. More than ever before it is up to us who are living in a country where there is, at least, a good measure of peace to keep our sanity and balance, and to cling to the traditional Christmas customs. If we can help those across the seas with financial contributions well and good, if we can't, we can keep up our morale and that of those about us. And we can hold on for dear life to all of those things which make for civilized living. For civilized living, we need books, new books to learn about the special problems of our time; old books, to develop our taste and to get human nature in a fair perspective.

May we suggest two old books for last minute purchase at Christmas time: one for children and one for adults, although the order can be reversed and no harm done. For the children: a DePoe's "Robinson Crusoe." It has been the most widely read story in the English language and there is no reason why it should not continue to be. Since it was written, there have been books as good but none better. The memory of it can always awaken the sleeping imagination of adults to that early thrill of adventure they experienced the first time they read it. But it is primarily a child's book.

The next time you go to London, don't forget to make a pilgrimage to the old Dissenter's burial ground to see the obelisk erected over DePoe's grave. The money for that monument was contributed in pennies by the school children of England. As there are about 650 editions of Robinson Crusoe, you won't have any trouble in finding one.

Look on the book shelves of those friends you love best and if you don't see a copy of Cervantes' "Don Quixote" buy them one. (The standard English version is by Motteux. As for editions, there are hundreds of them. Only make sure that the print is readable.)

"Don Quixote" was written in the beginning of the seventeenth century but it is still the greatest comic novel in all literature. We do need good, hearty laughter today, the kind that we don't get from cartoons and jokes. That old knight Don Quixote is just a little balmy—a good man gone wrong. But he belongs to the present, more so if anything than the characters in "Grapes of Wrath" and "Gone With the Wind." For your delectation and mine, he continues to ride down the broad highway of humanity. Today he wouldn't be a knight but a tourist. The people he meets are seventeenth century Spaniards only on the surface. You will recognize their counterparts at a gas station or a hot dog stand. He will help you to know human nature and to be a little more tolerant. And what better gifts could we hope for those we love.

So a Merry Christmas and God bless you, every one.

85 REPORTED KILLED IN PAPER MILL EXPLOSION

BRASHOV, Rumania (UP)—Eighty-five persons were reported dead at Zarnesti after an explosion in a paper mill there. Dispatches said that 145 persons were injured and that many were so seriously hurt that they would die.

Many critically injured were in hospitals at Brashov. Officials of the ministry of health from Bucharest arrived in Brashov en route to Zarnesti to direct relief work.

Residents of Zarnesti were forbidden to leave their homes because the town was filled with noxious gases after the explosion. The paper mill at Zarnesti was owned by a German group until it was taken over by the Rumanian government recently.

Folsom Has Duck Stew On Saturday

FOLSOM PRISON, (UP)—Many a duck hunter will envy Folsom convicts tomorrow night when the annual duck stew fricassee is served. Warden Clyde Plummer said that 500 of the prison's 1700 tame ducks were going into the stew. The dressed birds weighed 1650 pounds and will provide all the inmates with second and third helpings.

The fire alarm Friday morning called the department to the residence of Police Judge and Mrs. E. E. Creed, where a chimney burned out.

DOCK STRIFE DISGUSTING

Farm Bureau Directors Join Sutter County In Urging Early Settlement

SAN FRANCISCO, (UP)—Governor Culbert Olson's strike mission today recommended striking CIO rock clerks drop their demands for union control of monthly confidential clerks and return to work at San Francisco piers while their other demands are being negotiated.

County Farm Bureau directors joined with the Sutter County Farm Bureau Thursday night in the support of a resolution to state and federal officials expressing their disgust at the shipping tie-up at San Francisco is permitted to continue and urging an early settlement of the trouble.

The matter was presented to the county directors at their regular meeting for December in the form of a resolution adopted by the Sutter County Farm Bureau and forwarded here for consideration.

Other business of the meeting at which Chairman James A. Irving presided, saw the Farm Bureau go on record as opposing the practice of assessing a sales tax on transactions in the California Ram Sale. It was pointed out that the sale is conducted for the purpose of increasing the quality of stock and that the animals sold are purchased for breeding purposes.

Center chairmen reported on the favorable progress of their membership enrollment, opened the fore part of the month, and that their several committees are continuing to present to farmers in their own districts the opportunity to enroll in the Farm Bureau for the coming year.

L. W. Veerkamp reported on recent meetings of the Associated Farmers of California and their was a general discussion of Farm labor problems.

Dixie Primed For Premiere

"Gone With The Wind" To Be Shown Tonight Before 2,100 "Critics" In Atlanta

By HENRY McLEMORE

United Press Staff Correspondent
ATLANTA, Ga., (UP)—Atlanta opened its arms and doubled its fists for tonight's premiere of "Gone With the Wind." For three hours and 47 minutes the Hollywood version of Margaret Mitchell's saga of the war between the states will be unveiled before a hyper-critical audience of 20th Century Confederates.

Before midnight the town may be burning for the second time, because if Clark Gable's Rhett Butler isn't 100 per cent Charlestonian, and Vivien Leigh's Scarlett O'Hara isn't 24 karat middle-Georgia, there'll be hell to pay.

Of the 2100 persons who still sit in Loew's Grand Theater for the first showing, 80 per cent will be descendants of Johnny Rebs whose muskets smoked for the stars and bars back in '62. A smaller percentage will be rheumy-eyed, stumby-stepping soldiers, who aren't fighting now because they gave all they had some 70 years ago.

One misplaced "you all" and the rebel yell will sound again. One faulty "sho-nut" and Selznick Pictures incorporation may be gone—if not with the wind, certainly with the box office below the Mason and Dixon line.

Louis Enzler Has Lost His Hat—Again

Louis Enzler has lost his hat—again. This is the third time in recent months that the chapeau has disappeared, he declares.

When last seen, it was at the Federated Church Thursday at the P. F. G. A. meeting, and if anyone has it, Mr. Enzler asks them to leave it at the Farm Advisor's office.

The hat was grey, made by Malloy and bought from Schwartz & Grodin, at Oakland, whose names appear inside the hat.

Mr. Enzler suspects someone picked it up by mistake.

He's the Champ

With the aid of his nephew, Bobby Smith, and a zipper diaper, Edward Moeller zipped his way to top honors in recent diapering contest at Kansas City. Moeller, a bachelor, beat a field of five experienced fathers. His time: 1:02.

MAIL PARCELS, CARDS NOW

Gifts Going A Distance May Not Be Delivered In Time If You Delay

Those who have Christmas packages which are going to distant points had better be getting them into the mail or they may not be delivered until after Christmas.

And anyway, why delay mailing, when cards and packages alike—whether they are going across the continent or just to the next county, can be marked "Don't Open Until Christmas?"

Postmaster Anna Scherrer called attention Friday morning to the need for prompt mailing of packages addressed to distant points and at the same time urged general public support of the "Mail Early" movement as an aid to the post-office department throughout the nation in insuring delivery of all Christmas mail before the big day.

Packages going to the east coast, Baltimore, New York and New England should be mailed not later than Saturday, she suggested.

Those addressed to the middle west and central southern Canada ought to be started on their way not later than December 18th.

Points in the northwest and southwest and along the west coast will be reached in time if the packages are mailed by December 20.

"But we hope everyone won't wait until the last minute to mail his packages," she added.

RECRUITING OFFICERS TO VISIT COUNTY ONCE EACH MONTH

Marine Corps and Navy recruiting officers from the Sacramento district headquarters of the two services will call in Placerville at least once each month, it was announced Friday.

Paying the first in the projected series of visits to this county, Chief Gunner's Mate L. S. Stair, of the Navy Recruiting Service and Sergeant La Chapelle, of the Marine Corps recruiting service, were in Placerville Friday.

The officers stated that any person of military age, good health and good moral character who may desire to enlist should contact the postmaster in Placerville for information concerning enlistment.

Louise Branstetter Wins Dental Essay Award

Louise Branstetter, of Coon Hollow School, is one of the prize winners in the essay contest conducted during the past few months by the California State Dental Association, according to an announcement at Sacramento.

The announcement did not indicate whether her work won a prize in the state-wide contest, or in the contest for the Sacramento district. However, she was the only award winner named from El Dorado County in the announcement and will receive a well deserved cash prize.

Among those who were at Sacramento on Thursday were Mrs. William Henderson, of Diamond Springs, and Mr. and Mrs. Chris Orelli, of Placerville.

FINNS PAY ON WAR DEBT

Nation Is Sole One Of 17 Debtors To Remit In Full And On Time

WASHINGTON, (UP)—Finland, despite its war for survival with Soviet Russia, today paid the regular semi-annual installment of \$234,693 on its debt to the United States.

As usual, Finland was the only one of 17 nations indebted to the United States to meet its obligation in full and on time.

A check for the Finnish payment, drawn on the National City Bank of New York was presented to Secretary of Treasury Henry Morgenthau, Jr., by tall, handsome Hjalmar Procope, Finnish minister, at a ceremony in Morgenthau's office.

The payment left Finland owing this country \$8,142,890.

Morgenthau said he accepted the payment and noted that Finland, "during dark days as well as fair, has never failed to honor its obligations."

"As you know," Morgenthau continued, "the President has directed me to hold this payment in a suspense account until he can recommend to Congress that this money be used for the benefit of the Finnish people."

John P. Simpson, clerk in the Placerville postoffice, was elected to be Worshipful Master of El Dorado Lodge No. 26, F. & A. M., for the ensuing year at a regular meeting of the organization held Thursday night at the Masonic temple. He will succeed Harry Jasper.

Other officers elected are Frederick Dorman, senior warden; Elsworth A. Willard, junior warden; Don H. Goodrich, treasurer; and T. P. Lewis, secretary.

The date for the installation of officers, which will be held sometime in January, was not set.

BETROTHAL ANNOUNCEMENT IN OHIO HAS INTEREST FOR PLACERVILLE

Mrs. T. J. Harris, of Placerville, has received word from her cousin Col. Edward D. Ardery and Mrs. Ardery, in Ohio, of the engagement of their daughter, Ann, and Lieut. John Thomas Gilmore, of the Army Infantry Reserve.

The bride-elect is a student at Ohio State University and a Delta Gamma. Lieut. Gilmore is a graduate of West Virginia University, a Sigma Chi and a member of Seaboard and Blade.

In addition to being a cousin of Mrs. Harris, Col. Ardery has other reasons to remember Placerville, since he attended school at Virginia City, Nevada, as a boy, and was a pupil of Mrs. Alice Golden, who now and for some years past has been teaching in Placerville.

In a recent letter to Mrs. Harris, the colonel wrote, "Very well do I remember Mrs. Golden, who, as Alice Bolger, was my favorite teacher. If she is still doing for the youth of Placerville the same type of good work she carried on in Virginia City, she deserves high honors. To the educational background I received at her hands I owe much of my success in later years."

Colonel Ardery, himself a graduate of the United States Military Academy at West Point, has a son, Ted, enrolled in the same school thirty-seven years later.

The goal of eradication of tuberculosis is within sight. That goal can be reached if the public will cooperate by purchasing Christmas Seals.

Wins National Championship

Luella Padgett, of Kellerville, Ill., is shown with her 1,125-pound Aberdeen Angus calf, "Bradshaw Special," which won the grand championship at the producers' baby beef show at the International Live Stock Show in Chicago. Luella has won the award four times in past five years.

FREE SHOW FOR TOTS SATURDAY; XMAS CONTEST ENTRIES START

Merchants' Party At Ten O'Clock Features Tex Ritter In "Sundown On The Prairie;" Judging Of Decorations Starts Tuesday

Placerville merchants stage their second community pre-Christmas party for the children Saturday morning at the Empire Theater when Tex Ritter, the singing westerner, flashes across the screen in "Sundown on the Prairie."

As manager Otto Schmit, of the Empire, announced the title of the feature picture, members of the merchants' committee reported that entries are coming in for the two cash prize contests for tree and yard decorations, on which judging begins Tuesday.

A total of thirty-five dollars in cash prizes will be awarded for the two contests. Half of the prize money will be divided, \$10, \$5 and \$2.50 for three prizes for the best decorated out-door Christmas tree.

The remainder of the prize money will be divided in the same fashion for three prizes for the best out-door yard sets or other exterior decoration.

Both contests are to be judged by a committee of five named by the Placerville Shakespeare Club and judging will start Tuesday, December 19th, so all entries should be on file by that date. The contest is open to anyone living within the city limits of Placerville.

Entries may be filed with any of the members of the merchants committee who are Albert Simon, A. H. Murray, Max Baer, M. T. Kelly and H. E. Dillinger.

And now back to the show. There will be short subjects in addition to "Sundown on the Prairie."

In this top-notch thriller, Tex and his pal Ananias, while vacation-

BERT GRANLEES ENGAGED IN WAR INDUSTRY IN NEVADA

Bert Granlees, enroute from Fallon, Nevada, to his home at Lone, was a caller in Placerville Thursday afternoon.

Mr. Granlees for several months past has been engaged in mining in Mineral County, Nevada, at a point about seventy-five miles east of Fallon.

The material being mined is fluor-spar, for which there is an increased demand at present in the steel industry, as a result of the current increase in world armaments due to the war in Europe.

Mr. Granlees reports they are "away out in the country," so far away that it is necessary to haul water seventy-five miles.

A license to wed was issued to Charles A. Backus, 21, and Edna Elizabeth Ronzone, 21, both of Placerville, at the county courthouse.

A license to wed was issued Saturday at the courthouse to Don Bronson, 23, and Edna Mae Enyard, 21, both of Youngs P. O., this county.

DISTRICT SCOUTERS TO MEET TUESDAY NIGHT FOR DINNER

The December meeting of the district committee for Boy Scouts of the county will be held at 6:30 o'clock Tuesday evening at the War Veterans' Memorial building following a "dutch treat" dinner.

In addition to transacting the business of the district under the guidance of Chairman W. T. Henderson, the committee members also will say farewell to Carl Fossette, area field executive.

Mr. Fossette's work in the Golden Empire Council as area field executive has won him advancement to become area executive for Mt. Lassen Council of Boy Scouts, with headquarters at Chico, and he will leave soon to accept that appointment.

Arnold Weber and Bert Parsons, of the forest service staff, were in the Riverfront district Friday morning.

F. F. Moran, administrative assistant on Eldorado Forest, was at Mosquito CCC camp Friday morning.

NEW RED DRIVE REPORTED

Soviet Claims Finn Line Broken; Reserves Called British Await Sea Fight

SVANIK, NORWAY (UP)—Soviet mechanized troops which smashed over the ice and snow of northern Finland into the Salma-praevi area yesterday massed today for a new offensive less than a mile from the Norwegian border.

MOSCOW (UP)—Radio reports said tonight that Russian troops have broken through Finland's Mannerheim defense lines on the Karelian isthmus.

HELSINKI (UP)—Finnish Foreign Minister V. A. Tanner will make a radio broadcast tonight in the Russian language to Soviet Premier-Foreign Commissar Vyacheslav M. Molotov, suggesting resumption of Russo-Finnish negotiations.

Placards posted in the streets as fighting raged in the north, on the central front in the east and on the Karelian isthmus ordered all reserves not previously called up to report to their regiments tomorrow.

MONTEVIDEO, URUGUAY, (UP)—The shattered bodies of the 36 German navy men killed in the battle of Montevideo were taken today to the shelter of a common grave in the north cemetery, with the graves of Germans and Britons who had died here in times of peace around them.

Off Montevideo, on another sort of death watch, slowly steamed a squadron of British cruisers, relentless as wolves stalking a crippled prey, steaming back and forth, five of them. It was reported, awaiting a possible break for the open sea by the German ship.

Preparations for repairs on the damaged German pocket battleship Admiral Graf Spee were started today, apparently for a dash to sea through a cordon of British cruisers.

3 Hoop Games Tonight

Cougars Hosts To Folsom In Return Series, Hope To Retrieve Honors

There will be three basketball games at the high school gymnasium tonight at 7 o'clock when the Cougars are hosts to Folsom. And they will all be basketball games.

The Cougars made a swing down to Folsom two weeks ago for a series of three games which opened their inter-school play for the year and some of the players returned with the conviction that the officials in the games took advantage of them because they were without the advice and guidance of Coach L. A. Brown.

And tonight, with Coach Brown to steer them, the Cougars hope to demonstrate to their guests that they know a little more about the game than the first series indicated.

KELSEY TO HEAR REPORT ON STATE MEETING OF FARM BUREAU

The regular December meeting of the Kelsey Farm Center, to be held tonight at the Kelsey hall, will hear from L. W. Veerkamp, state director for the County Farm Bureau, a report on the annual meeting of the California Farm Bureau Federation, recently held.

Farm Advisor Ivan Lilley also will attend the meeting and will contribute to the program a review of the recommendations of the recent Agricultural Economic Conference.

Mrs. Henson's Grandson To Wed At Sacramento

Announcement was made recently at Sacramento of the engagement of Miss Dorothy Rice, daughter of Mr. and Mrs. W. E. Rice and a teacher in the grammar school at Del Paso Heights, and Melvin Henson.

Mr. Henson is a grandson of Mrs. Margaret Henson, formerly of Placerville and now of Oakland, and is a graduate of the College of Pacific at Stockton. He is principal of the Enterprise school, near Florin.

The Kingdom of Heaven, said Jesus, is like a grain of mustard seed (the smallest of seeds) which a man sowed in his field and it became a tree.

The Kingdom of Heaven He also likened to leaven or yeast which a woman took, put into three measures of meal, and the whole mass was leavened.

Again, the Kingdom of Heaven is like unto a treasure hidden in a field, which a man found and sold all he had and bought the field.

It is also like a perfect pearl which, when a pearl merchant finds, he sells all that he has to buy it. (GOLDEN TEXT—Isaiah 55:3)

LUTHERAN CHURCH

Pre-Christmas services will be held under the auspices of the Lutheran Church at Odd Fellows Hall on Main St., Placerville, next Sunday afternoon, Dec. 17, at 3 o'clock. Rev. Carl Fickenscher of Sacramento will speak on the topic: God Preparing A Way for the Saviour Into Our hearts. Trinity Lutheran Church choir from Sacramento will render fitting Christmas music.

A Sunday school session will be held at 2 p. m. The public is invited to attend these services and also to tune in on the Lutheran radio hour heard in this area every Sunday at 1:30 p. m. from KFRK, San Francisco.

In announcing these services Rev. Fickenscher said, "The Christian religion is based on certain historical facts, the unique incarnation of God's own Son, His death, resurrection, and ascension for sinful mankind. These accomplished facts, however, have a very definite and glorious meaning for the present and still more glorious meaning for the future. To stress this meaning and apply it to the hearts of men is the purpose of the Lutheran services to be held next Sunday afternoon. The preparation of the inner man is indispensable for a truly joyous and intelligent observance of Christmas."

FULL GOSPEL MISSION

The climax of a fine series of revival meetings the Full Gospel Assembly is in view as the services are now in the third and concluding week.

The good crowds attending have been giving a hearty response to the able and edifying ministry of Misses Minogue and McMillan, young lady evangelists.
The public is cordially invited to avail itself of the opportunity to hear them each night this week except Saturday at 7:30 o'clock. The final services will be Sunday morning at 11 a. m. and Sunday night at 7:30 p. m.

What we want to do is only that business which can be done the right way for people who appreciate that good cleaning is the only truly economical kind.

"LITTLE MAN WHO WASN'T THERE" FIGHTS EXTRADITION TO UTAH TO FACE FORGERY CHARGE

SACRAMENTO, (UP)—Attempt of Utah authorities to extradite Edward Harris, clothing salesman, from Los Angeles to Ogden to face a charge of forgery, was held up today pending arrival of additional evidence to be presented at a hearing in the governor's office here.

M. Stanley Mosk, executive secretary to Governor Olson, ordered the hearing continued until a copy of the Hotel Ben Lomond register, being airmailed from Ogden, reaches here. Unless Utah officials can establish Harris' presence in Ogden on May 20 by means of the register, Mosk said he would recommend that Governor Olson deny the extradition request.

At the hearing yesterday Mosk said he was informed by Los Angeles police that Harris took delivery of an automobile in that city on May 20, the day he was accused of passing a bad check in Ogden. Also, Charles Stone, handwriting expert of the State Bureau of Criminal Identification, expressed doubt that the handwriting on the check passed at Ogden was that of Harris.

Harris claims he met a man named Leo Fox in Salt Lake City on May 22 and gave him a ride to Denver. He expressed belief that Fox used his name to cash checks at Ogden, Rock Springs, Wyo., Denver and Albuquerque, N. M.

They arrived yesterday aboard the S. S. Lurline. The "Tigers" will play the University of Hawaii Saturday and the Honolulu Healanis Wednesday.

OLD FAVORITES, NEW SONG HITS STUD EMPIRE PICTURE SUNDAY

A bright, melodious host of grand old songs, known to oldsters and youngsters alike because they have become increasingly popular through the years, and four new songs, destined to rank in the hit class, will be sung and danced to in the great new Bing Crosby drama, "The Star Maker," which Paramount will present Sunday and Monday at the Empire Theatre.

The old songs which Bing will sing in the picture are the work of Johnny Burke and James V. Monaco, ace song writing team. Entitled "Still the Bluebird Sings," "An Apple for the Teacher," "Go Fly a Kite" and "A Man and His Dreams," they already rank in the hit class. As in the case of old songs, Bing will have child singers furnish vocal background.

"GHOST BASKETBALL" PLAYED IN TOTAL DARKNESS

RIPLEY, O., (UP)—Although left completely in the dark, 800 fans enthusiastically agreed today that "ghost basketball" was the world's spookiest sport.

Copyrighted by Superintendent of Schools Dennis Potts, the game was played in total darkness, but players, ball, referee, baskets and sideline markings were made visible by a fluorescent paint.

Two local teams battled to a 24-22 game and spectators said the game was as fast and as interesting as any played in full light.

"The crowds raved over it," Potts said. "Officials of other schools said it was the most original idea they had seen. It ought to pack 'em in."

"The 'paint' we use absorbs light and then gives it off again in the dark. It's brighter than phosphorus. Students liked the idea of being in the dark and still being able to see the game perfectly."

COMEDY WITH SPEED

PASADENA, (UP)—Hollywood, it is believed here, could learn something in scenario writing and production from local talent. Irving Zeilinks, Joseph Hanson, students at Marshall Junior high school, with Margaret Dankers as faculty assistant, wrote, rehearsed and produced a one act comedy in two hours.

Quarterly Income Tax Payments Due Today

WASHINGTON, (UP)—It's kind of tough to bring this up less than two weeks before Christmas, but fourth quarter installments on income taxes are due today.

Although there are no estimates as to the amount the treasury will collect, it was expected that payments would approximate \$300,000,000.

The regular meeting of the county 4-H Club Council for December will be held Wednesday night of the coming week at the Farm Advisor's office.

Neighborhood NEWS

LOTUS

The weather the past week has been somewhat cloudy during the days with winds blowing north and south. Tuesday last brought the first rain, a light storm during the afternoon. The temperature was 52 degrees. Sunday we had our second rain for the month, the storm beginning in the afternoon and continuing into the evening. The temperature for the day was 64 degrees.

C. A. Moss, manager of the Pacific Fruit Exchange at Auburn for the past sixteen years, and George Casey, Jr., of the same company's offices at Sacramento, were calling on some of our fruit growers here on Monday last.

We wish to correct a mistake in our last column. We mentioned the sale of the Lotus Oaks to a Mr. De Witt, of Placerville. It should have been Mr. Le Witt and not De Witt. The name was given us wrong and we again wish the new owner much success in his new home. Success to you Mr. Ralph Le Witt.

The funeral for one of our old school mates and lifelong friends, Mrs. Carrie Hansen, who died at the home of her daughter in Auburn on Tuesday, December 5, was held in Auburn on Thursday of last week and burial took place in the Lotus cemetery at 3 o'clock. A minister from Auburn officiated at the graveside in services which were largely attended and the flowers were many. Three years ago, on December 24, 1936, Mrs. Hansen buried one of her sons, Louis Hansen, in the Lotus cemetery.

Large truck loads of machinery have been passing through our town with furniture and bedding almost daily the past week enroute to the scene of operation of the General Dredging Corporation of Sacramento, who are now putting in another one of their dredgers on the American River half a mile north of our town. The way things are going on in the mining business we venture to say that Lotus will have a population of more than two hundred within the next month, all new comers. Where is our town going to put them all on the banks of the river which is well filled up now?

H. P. McGillivray, of the McGillivray Construction Company, of Sacramento, in company with another man came up Saturday afternoon and was talking to some of our land owners and orchardists regarding using their orchards for mining purposes. The company wants to get a right to prospect the orchards and then take an option on the property, working it on a ten per cent basis, with the privilege of buying the land within a certain time.

E. J. Willard, steward of the county hospital, with S. R. Jones and A. Lincoln came out from Placerville and made arrangements to lease and purchase the Wagner mine some three miles west of Lotus, owned by former Supervisor John E. Wagner and his brother, J. P. Wagner. Mr. Willard and his associates expect to start work on the mine shortly after New Year's. The mining industry has taken on quite a little activity around Lotus within the past few months. Walter and Ballard Stahlman and

Ed Stillwell and Kenneth Westering came up from their Sacramento homes Sunday and put in the day quail hunting. It being a rainy day, the boys had but little success and returned to their homes in the evening with but two quail for the Sacramento hunters. Quail are very scarce this season around Lotus.

Sutter Mill Rebekah lodge had their regular whist game at Coloma Tuesday evening. Mrs. Lottie Galleher, Mrs. Irma Lawyer, Mrs. Florence Hines, Henry Bacchi, George Balderson and Mrs. Harry Reaside were those who attended from Lotus.

Mrs. Irma Lawyer, Mrs. Lottie Galleher and Mrs. Florence Hines, all of Lotus, and Mrs. Ella Norris and Frank Galleher, took in the Rebekah card party at Placerville Thursday night of last week.

Mrs. Ella Norris was a caller at the Reaside home Saturday afternoon.

Mrs. Harry Reaside and Mrs. Irma Lawyer attended the Episcopal Guild card party at Placerville last Friday afternoon.

Mr. and Mrs. Bill Staggs have moved to their new home at Coloma.

Mrs. Dorothy Metcalfe was in Lotus visiting on Thursday of last week.

Mrs. A. H. Peterson has returned to her home at Lotus after an extended visit in the south. She plans to spend the balance of the winter here.

Mrs. Margaret Gable and son, of San Francisco, have been guests of Mr. and Mrs. Roy Headington for the past week.

Mrs. Aubrey Leahy, Mrs. A. L. Davis and Marie Miller were Friday afternoon shoppers in Sacramento. The dance Saturday night was well attended. Everyone had a good time and many of us were not ready to stop dancing when the orchestra played "Home Sweet Home" at 3 o'clock.

Mr. and Mrs. Aubrey Leahy returned to Coalinga Sunday after a visit of several days at the A. L. Miller home.

Mr. and Mrs. Ralph Engstrom and daughter were called to Walnut Creek by the illness of Mr. Engstrom's mother.

M. F. Franks came up from Sacramento to spend the weekend with his wife and family.

Sunday was a real winter day—wind and showers—though no damage was done in this section by the wind.

There was a meeting Monday evening at the hall for the purpose of organizing a dramatic group. We did not have as many prospective actors as we had hoped, but those present were enthusiastic. Who knows? We may have a Clark Gable or a Greta Garbo in our midst! Most of those present joined and officers for the club have been elected, but due to lack of information we shall have to postpone further news until next week—following a meeting which may be held meanwhile.

Mr. and Mrs. M. E. Chapman and daughter, of Gold Hill, were Monday evening callers at the Jas. Sweeney home.

COLOMA

Mr. and Mrs. G. Ferguson, of the Bacchi dredger mine, spent several days in Stockton last week.

Frank Amstalden and George Winle visited the former's sister, Mrs. Kate Harmon, in Stockton last week.

The Rebekah card party last Tuesday evening was the usual success, twelve tables being played.

Mrs. O. G. Gregory entertained her daughter, Kathleen, Mr. and Mrs. R. F. Carlson and Mr. and Mrs. Jack Hart, all of Stockton, at her cottage on the Johnson farm over the weekend.

Mrs. A. Fenske and N. Y. Vernon spent the weekend in Oakland and San Francisco. The former took down lady apples for the holiday trade. The wholesale merchants do not offer much encouragement. An interesting and thrilling part of the trip was watching the big waves on the beach during the rain and high wind Sunday, and the daring efforts to save their boats made by young men in swimming suits who had neglected to tie up their craft properly for such a sudden emergency.

Mr. and Mrs. J. Givens and family, of Fair Oaks, have moved here and the former is employed at the dredger mine on the north side of the Lotus bridge. They occupy the old Thomas Williams cottage.

Mr. and Mrs. Stephen Ruckman, of Garden Valley, bride and bridegroom, have rented the Vernon cottage on Church street. The former is employed at the Wagner mine.

Mrs. J. Houston, who was on the sick list last week, is improving.

Mr. and Mrs. Newton Grout visited friends and attended to business at Fresh Pond Tuesday.

Mr. and Mrs. Walter Hall, who have lived here the past two years, have moved to Gold Hill.

Mr. and Mrs. Woodward Doering have moved to Placerville.

A high school professor of San Jose accompanied by a bus load of students spent Saturday afternoon and evening here visiting every interesting spot and getting all available history. The professor had been here last Spring and made the return trip with the students as part of their history studies.

MISSOURI FLAT

Word was received here Sunday of the death of W. R. Hume early that morning at his residence in Oakland. Deceased was the youngest son of the late Mr. and Mrs. David H. Hume. He had been an employee of the Standard Oil Company for the past eighteen years. Although in poor health, he had kept to his duties until the past two months. He was born in Garden Valley May 3, 1900 and attended several terms of school in Coloma. Besides his widow he leaves a daughter, Thelma, an honor student at the University of California; a small son, Robert; a sister, Mrs. Ruth Hodgson, of Berkeley; and a brother, Clarence Hume, of Garden Valley, in addition to other relatives and also in Coloma.

RESCUE

Our locality was favored with a good refreshing drenching rain on Sunday. While we have had other showers and the grass has started, they have been light and so far apart that the grass and feed is very short for cattlemen.

The Penny Social Club held their regular meeting on Wednesday of last week. It was an all-day meeting and also their Xmas meeting and was held at the home of Mrs. Edna Glenn. The members arrived at 11:30 and at noon a delicious dinner was served at tables beautifully decorated with lighted candles.

LATEST MARCH OF TIME

Each member contributed something good to eat. After dinner a short program appropriate to Christmas was given by the members. Then the presents were distributed from the beautiful and well laden tree. Special guests were Mrs. Laura Pritchard, Mrs. Merta Muir and Mrs. Nellie Wing. Mrs. Edna Glenn and Mrs. Dessie Holden were joint hostesses for the meeting. Mystery names for the past year were revealed and new names selected for the coming year.

Friends and acquaintances were surprised by the announcement of the marriage of Miss Ruth Holden, of Rescue, and Rex Fields, of Missouri Flat. Their marriage, which took place in Nevada in July, was announced at a dinner party given by Mr. and Mrs. Wilson Bryan at their home at Missouri Flat on December 3. The bride is the daughter of Mr. and Mrs. Charles Holden, of Rescue, and Mr. Fields is the son of Mrs. Sol Fields, of Missouri Flat. They are residing at the Fields home. We wish to extend congratulations and best wishes to the couple who succeeded so well in stealing the march on their many friends.

Mr. and Mrs. Singleton and family, of Lotus, had the misfortune to have an automobile accident near the Egger home on Sunday. Going down what is known as Egger Hill during the heavy downpour Sunday, their car ran head-on into some oak trees. The car was badly damaged but fortunately no one was seriously hurt, although they were taken to Placerville for first aid treatment by Jack Johnson, of the

Rescue store. The wrecking car from Folsom came up and took the car to that place.

Mrs. Marie Grien has had a fireplace built into her living room recently.

The dragline dredge which has been working on the Grien property the past few months, and operated by Mr. Good, was taken to the Walter Stone property at Missouri Flat on Monday of last week.

Mrs. Laura Pritchard, of Oroville, who has spent the past two weeks with Mrs. Edna Glenn, returned to her home on Sunday.

SHINGLE SPRINGS

Everyone was glad to see the rain come and it has helped the feed and grain crops a great deal. Those who spent the "old"

Thanksgiving day in Shingle, coming from a distance, were Mr. and Mrs. Louis Russi, of Marysville and Mr. and Mrs. Frank Hunt, of Brownsville. Mr. and Mrs. Hunt remained over for a few days and took in the card party at Placerville.

There has been quite a number in and around Shingle who have been quite sick with what is called stomach flu, but all seem to be getting better and able to be out again.

Fred Heuser is spending a couple of weeks at the bay.

The teachers and pupils are quite busy getting their parts prepared for a Christmas play.

Mr. and Mrs. Leland Barton, of Folsom, spent an afternoon last week at the Miller home.
